**The Real Thing** Cassie Mae

**In this electrifying novel from Cassie Mae, two close friends surprise themselves by shifting from platonic love to sexual attraction.**

Eric Matua has one friend—his best friend and childhood sweetheart, who needs a place to stay for the summer. Mia Johnson has thousands of friends—who live in her computer. Along with her email chats and Facebook notifications, Mia also devours romance novels, spending countless hours with fictional characters, dreaming of her own Romeo to sweep her off her feet. When she starts receiving supersweet messages from a stranger who thinks she’s someone else, Mia begins to believe that real love is possible outside her virtual world.

When the two friends become roommates, Mia finds herself falling harder than she ever thought she could. But Eric keeps his desires locked away, unsure of himself and his ability to give his best friend what she deserves in a boyfriend. As her advances are continually spurned, Mia splits her time between Eric and her computer. But she soon realizes she’s about to lose the only real thing she’s ever had.
