My Mind Is In the State of Blank E R Barber

Set in 21st century New York, Alice Broadway is about as normal as a 15 year old could get. The summer started out the way they tend to. Rainy days followed by excruciating heat. Nothing though, could compare to the excruciating pain she'd be enduring the rest of the summer. Guns, crashed cars, jails, and police officers are becoming the norm for her. She'll never go back to her boring at home lifestyle. In fact, she'll never have a home again. Maybe though, her home was never really home. Maybe her life was never really her life. Who is Alice Broadway?
