Nothing Logical About It -- A Psychic's Path to Destiny Maggie Garbarini

Maggie Garbarini is a renowned psychic with an international clientele, and she is much valued for a humorous, practical approach to life and to her gift. This book traces the highly irregular path Maggie followed to become a professional psychic: the Gypsy ancestors; the childhood in war-torn Britain; the early career as a singing prodigy and professional actress; and the leap of faith that took her across the ocean to America in search of a new career -- almost permanently thwarted by a catastrophic accident. "When I tell my life story," Maggie says, "It is the story of a survivor." It is that unique series of experiences and her irrepressible appetite for life that make Maggie such a valued psychic counselor today, and make her story such an irresistible read.
