Prophetic Activation Guide Pierre D. Robinson

Prophecy of Scripture, Given by inspiration of God literally means God breathed, So the Scripture can be considered prophetic in nature in the sense that God spoke it. Prophecy can include promises of God, which can be confirmed in the Word. We know you will not find the word car in the bible yet you could receive a prophecy that says you are going to get a new car. Interpretation of the Word and prophecy will vary depending on a person's ability to rightly divide the word, their spiritual level, and their relationship with God. All prophecy should be judged by someone who understands it as well as operate in the prophetic, and posses the ability to give Godly council. 1 Corinthians. 14:31-33 (KJV) - For ye may all prophesy one by one, That all may learn, and all may be comforted. [32] And the spirits of the prophets are subject to the prophets. [33] For God is not the author of confusion, but of peace, as in all churches of the saints.
