The Bundy Murders: A Comprehensive History Kevin M. Sullivan

"Despite the multitude of books about Bundy, *The Bundy Murders* offers fresh material and ideas about Bundy's predatory movements. Well researched and highly recommended, for Bundy scholars and true crime fans alike."--Katherine Ramsland, author of *The Human Predator* and *The Devil's Dozen*

Theodore Bundy was one of the more infamous, and flamboyant, American serial killers on record, and his story is a complex mix of psychopathology, criminal investigation, and the U.S. legal system. This in-depth examination of Bundy's life and his killing spree that totaled dozens of victims is drawn from legal transcripts, correspondence and interviews with detectives and prosecutors. Using these sources, new information on several murders is unveiled. The biography follows Bundy from his broken family background to his execution in the electric chair.
