The World as Will and Presentation, Volume 2 (Longman Library of Primary Sources)

Arthur Schopenhauer

The World as Will and Presentation, Volume 2 (Longman Library of Primary Sources) Arthur Schopenhauer

Part of the “Pearson Primary Sources in Philosophy,” this second volume of Schopenhauer's *World as Will and Presentation* is framed by a pedagogical structure designed to make this important work of philosophy more accessible and meaningful for undergraduates.

Each book in the Pearson Library offers today's students a clear, up-to-date, and *inexpensive* translation of a seminal work in philosophy. With in-depth, user-friendly introductions, copious notes to clarify difficult or important passages, and a rich index, each volume makes the masterworks of philosophy accessible to students and emphasizes their relevance to contemporary issues and debates. Again, each work in the Pearson Library is priced so that a number of works can be assigned in the same course, and/or bundled with a text or anthology.
