## **Financial Planning Handbook For Physicians And Advisors** David E. Marcinko

Financial Planning for Physicians and Advisors describes a personal financial planning program to help doctors avoid the perils of harsh economic sacrifice. It outlines how to select a knowledgeable financial advisor and develop a comprehensive personal financial plan, and includes important sections on: insurance and risk management, asset diversification and modern portfolio construction, income tax and retirement planning, and succession and estate planning. When fully implemented with a professional's assistance, this book will help physicians and their financial advisors develop an effective long-term financial plan.
