In this mesmerizing tale from the author of the *Guardians of Eternity* series, a traitorous vampire is determined to destroy the Veil that has long separated vampires from human blood--and the passions it ignites. Only the Immortal Rogues, three vampires charged to protect their kind, can hope to stop his deadly rampage. . .

Amelia Hadwell has no time for London's nightlife. Not when her beloved brother's odd ways have their family threatening to institutionalize him. And not when she is questioning her own sanity after being confronted by a murderous shadow creature--then being saved by a captivating stranger, a man who belongs to a world she cannot imagine.

Reserved and scholarly, Sebastian St. Ives has been content without human desires--until they are reawakened by the delicate, brave Amelia, whom he is meant to protect. For the young woman has no idea she possesses the key to a ravenous vampire's dark victory. Now Sebastian must shield her from both a killer and his own growing attraction--or bond with her completely, and forever. . .

Praise for My Lord Vampire

"The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal."
