Naked and Erect: Male Sexuality and Feeling Joel Ryce-Menuhin

Talking about sex, while no longer taboo, does not always add to our insight or deepen our understanding of it. In this frank and honest airing of male sexuality, Jungian analyst Joel Ryce-Menuhin presents a rare comprehension of the male experience gathered from over twenty years of working with male clients. By presenting male sexuality along with its psychological and spiritual issues, his work adds to our understanding of men today. In *Naked and Erect*, the author uses his Jungian perspective to discuss the alchemy of male masturbation, the anima in homosexuality and bisexuality, the archetypal problems of fathering, and the psyche at midlife and the approach of death.
