Brand New Edition, Complete Three Volume Novel, Caleb Williams, Or Things As They Are, By William Godwin, Things as They Are; or The Adventures of Caleb Williams (often abbreviated to Caleb Williams) (1794) by William Godwin is a three-volume novel written as a call to end the abuse of power by what Godwin saw as a tyrannical government. Intended as a popularisation of the ideas presented in his 1793 treatise Political Justice Godwin uses Caleb Williams to show how legal and other institutions can and do destroy individuals, even when the people the justice system touches are innocent of any crime. This reality, in Godwin's mind was therefore a description of "things as they are." The original manuscript included a preface that was removed from publication, because its content alarmed booksellers of the time.
