Dancing in the Mists of Time is a light-hearted fiction novel, telling the story of office girl Alice, confused by a mundane routine and lost in the memories of six years ago when a time-travelling pirate ship took her on a whirlwind of adventures. She is never quite sure if the events were a figment of her imagination. The second half of the book sees the return of one of the pirates coinciding with a comet set on a direct collision course with earth. While exploring the Scottish Borders, including Fatlips Castle, Dryburgh Abbey and Hermitage Castle, it's a race against time to try to save the world.
