The River of the West: The Adventures of Joe Meek Volume One; The Mountain Years (Classics of the Fur Trade Series) Frances Fuller Victor

Joe Meek was one of the West's most irresistible characters. An early mountain man, he was dashing, devil-may-care, cheeky, irreverent, and more fun than a playful grizzly cub.

In Book One, we read about his early life adventuring in the Rocky Mountains, California, and the Southwest. His first-hand account of fur-traders is priceless, as are his descriptions of the country, mountains, and the life of a mountain man.

Meek comes down to us not as a myth but as 'simply a right kind of fella.'

It is our good luck that Joe knew how to yarn his mountain experiences truly and colorfully and with only a mite of stretching. Joe Meek tells his own story, straight up and in the raw.

He's one wild ride!
