Emma expect the unexpected...

Emma Sawyer is a 25-year-old wolf shifter who lives in a small, boring town where there's nothing to do. She's basically stuck there. Mount Alters is a place where nothing ever happens. However, the residents of this town aren't just the regular people you find anywhere. They are much more than that.

Even with this quite interesting population, the town becomes so boring that Emma needs to come up with some adventure just to have fun in this place. Where will this adventure take her?

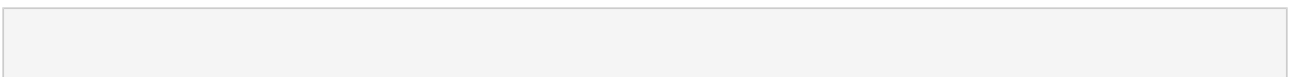

Her adventure leads her right into the strong arms of a man she only ever dreamt about. Morgan is tall and handsome with green, mysterious and hypnotic eyes that any woman would fall for.

He's also the most powerful dragon shifter in the universe. Or he used to be. Morgan and Emma soon realize they have strong feelings for each other.

But, will their romance work? Why doesn't she ever turn into a wolf? Why does Emma never leave Mount Alters? Why does this dragon need to be saved? Are they going to stay together or is their relationship doomed to fail right from the start?

This sexy, Dragon and Wolf Shifter Romance Story is a standalone with no cliffhangers and a guaranteed happily-ever-after.

For a limited time only, 4 BONUS Bad Boy Romance and Wolf Shifter books are also included with this novel. Enjoy!
