Dive for Donkeys Alan Parks

In January 2015 Alan Parks was looking for a challenge. Overweight and in need of adventure an exciting opportunity presented itself and he grabbed it. Alan was going to jump out of an aeroplane to raise money for donkeys that had been mistreated or abandoned. After signing up for the skydive, it became apparent that as things stood Alan would be unable to take part in the jump and he was over the weight limit allowed, so a new regiment of exercise and eating had to come into play. This book is Alan's story. Full of pictures and stories about the donkeys that he is trying to help, at least €1 from every sale or download of this book will be donated to El Refugio del Burrito in Andalucia, Spain.
