Losing Control (Kerr Chronicles Book 1) Jen Frederick

Welcome to a world few people know. A world where the hottest bedroom desires become a reality and where good girls like Victoria “Tiny” Corielli shed their sweetness for carnal, bad-girl pleasures.

Victoria nurses her mother through cancer treatments and works long hours as a New York City bike courier to pay for the roof over their heads. When a suspiciously high-paying delivery job thrusts her into the arms of impossibly attractive businessman Ian Kerr, Victoria is sorely tempted to enjoy his attentions and his chiseled body, if only to forget her responsibilities for a while...no matter the cost.

Kerr seems to have it all: money, power, and charisma to spare. What he doesn't have: revenge on an old nemesis, but he intends to get it. Kerr is prepared to cast innocent Victoria as the lure in his vengeful plot. Yet the more they explore midtown Manhattan—and each other—the more she means to Ian. Will it be too late for him to stop the dangerous plan he's already put into motion?

Revised edition: This edition of *Losing Control* includes editorial revisions.
