From the steamy sauna start to the rain-cooled ending *Six Ways From Sunday* will leave you wanting more. This is not a sugar-coated tale of a handsome millionaire and his virginal prima donna. This is an intimate journey into the lives of 8 submissive women and the men they serve. Join the author for a visceral ride into the exciting realm of power exchange, where 8 women's darkest desires are brought into the light. *Six Ways From Sunday* is a compilation of erotic short stories. Including: *Sauna*- Find out what happens when two attractive strangers meet in a co-ed sauna at the health club. The steam isn't the ONLY thing that is too hot to handle. *Her Punishment*- Mia is intent on pleasing her Master, but her disobedience will earn her a punishment that she won't soon forget. *Waiting For Him To Arrive*- He is the very epitome of dominant masculinity & he may know her body better than she does. He is flying in to see her tonight. She will be both surprised & aroused by the things he asks her to do while she is waiting for him to arrive. *Sara's First Trip to the Sex Toy Shop*- Sara is visiting a sex toy shop for her first sex toy but when she is invited into the dungeon by Mistress Lilith she realizes that her fantasy of being dominated is about to come true. *Top From The Bottom*- Kristen is a good employee in almost every way. It will take all of her submissive & feminine wiles to find a way to get her handsome (but Vanilla) boss, James, to dominate her. Will she be able to persuade him to release the beast she knows is inside? *The Pirate*- Two virtual strangers share a platonic online friendship. Will an erotic online encounter involving a pirate rape fantasy turn up the heat between them? *Why Are You Here?*- Join the couple from 'The Pirate' and find out what happens when they collide for the first time in real life. *The Storm*- The raw power and electricity of an impending storm parallels an escalating BDSM-scene between a man & a woman in a long term relationship. *Take Me With You*- A touching expression of the devotion of one submissive woman to her dominant partner. This book contains adult themes and situations of a sexual nature and is intended for adults only.
