Gone With The Wand Margie Palatini

Can Edith the tooth fairy help Bernice the godmother of all fairies find her magical powers again, or is Bernice doomed to live out the rest of her fairy life wand-less?

"If yours truly, Edith Molarnari, tooth fairy second class, hadn't seen it with my own two peepers, I wouldn't have believed it myself --- Bernice Sparklestein, once the best fairy godmother in the biz, having a bad wand day. A very bad wand day."

Margie Palatini's heartwarmingly hilarious story about helping friends and finding your place in life along the way, and Brian Ajhar's beautifully fun illustrations will have both children and adults giggling out loud.
