While church discipline is never easy, it is sometimes a necessary, albeit painful, part of the Christian life. This helpful study guide tackles the difficult topic in six chapters designed to focus discussion on the interpretation and application of biblical texts. Participants will discover the role of church discipline and learn how to practice it in a gracious and loving way.

A series of ten 6–7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.
