Jonathan Swift

Gulliver's Travels (Quotes Illustrated), (Unabridged Version) Jonathan Swift

“Every man desires to live long, but no man wishes to be old.”

? Jonathan Swift, Gulliver's Travels

Travels into Several Remote Nations of the World. In Four Parts. By Lemuel Gulliver, First a Surgeon, and then a Captain of Several Ships, commonly known as Gulliver's Travels (1726, amended 1735), is a prose satire by Anglo-Irish writer and clergyman Jonathan Swift, that is both a satire on human nature and a parody of the "travellers' tales" literary subgenre. It is Swift's best known full-length work, and a classic of English literature.

The book became popular as soon as it was published. John Gay wrote in a 1726 letter to Swift that "It is universally read, from the cabinet council to the nursery." [3] Since then, it has never been out of print.
