## **If Only They Could Talk: The Classic Memoirs of a 1930s Vet** James Herriot

Product Description Fresh out of Veterinary College, and shoulder-deep in an uncooperative cow, James Herriot's first job is not panning out exactly as expected... To a Glaswegian like James, 1930's Yorkshire appears to offer an idyllic pocket of rural life in a rapidly changing world. But even life in the sleepy village of Darrowby has its challenges. On the one hand there are his new colleagues, Siegfried and Tristan Farnon, two brothers who attract a constant stream of local girls to whom James is strangely invisible. On the other he must contend with herds of semi-feral cattle, gruff farmers with incomprehensible accents and an overweight Pekingese called Tricki Woo. Heartbreaking and hilarious in equal measure, If Only They Could Talk is a book for all those who find laughter and joy in animals, and who know and understand the magic and beauty of Britain's wild places.
