Nightfall is a town where young lovers like to go to be alone. But unlike most towns, Nightfall has a dark side...a place where vampires, werewolves and the undead roam...

Tale Three... All Nancy ever wanted was to feel beautiful and to be admired by everyone. So when she takes a modelling job for a group of art students, she meets Damon. In return for a painting of herself, Nancy agrees to model privately for him, and it isn't long before Damon develops feelings for her.

As Nancy poses for Damon she feels herself growing older and weaker as she falls deeper in love with him? But that was never part of their deal as Nancy is promised to another...

Tale Four... Trapped in a two year relationship, she never wanted, Laura leaves home and soon finds herself stranded in a snowstorm with nowhere to go or to sleep for the night.

After a kind offer of help, Laura takes shelter in a remote mountainside cottage. But Laura soon discovers that she is not alone. High above the village of Nightfall, she shares not just the cottage but herself with a mysterious stranger for the night and possibly eternity...

'The Dark Side of Nightfall' is the perfect remedy for lovers of paranormal romance stories who are looking for something dark, racy and mysterious to sink their claws into.

These stories, written by Tim O'Rourke, were originally published as part of 'The Cabin Series' by Natalie Stark.
