Winter Solstice Winter: A Viking Blood Saga E J Squires

In the land of the midnight sun, where ruthless Vikings and shape-shifters roam free, an evil empress usurps the Northlandic Throne and suspends the seasons on Winter Solstice. Lucia and Soren were sent by the gods to defeat the empress, but deceptions run deep, and they become torn between fate and reality... and between love and loyalty as the battle to end all battles begins. What readers are saying: Loved the Window into Norse mythology Riveting and movie-worthy I have just one problem with this book - I can't wait for the second one! A wonderful period romantic thriller that grabs your attention in the first few pages, and never lets up on its grip. Non-stop, fly by the seat of your pants suspense. I...found the book to be an impressive Viking tale, with two very real, very well-described main characters. This is one of those books that makes you say, "I'll read for twenty minutes." Then two hours later, you decide you need twenty minutes more. Welcome to a cold, wintry world where nothing is what it seems. Winter Solstice Winter has the perfect amount of intrigue, mystery, mythology, action, love and passion to make it a very good read. Usually, I have no patience for historical fiction unless it offers something fresh or truly engaging to the story. Winter Solstice Winter does that and then a lot more. My advice is straightforward...GET THIS BOOK -- YOU'RE GOING TO LOVE IT!
