Ming Wu

Acupuncture & Moxibustion Formulas & Treatments (Great Masters Series) Ming Wu

Cheng DAN-an was the single most important Chinese acupuncturist of the mid-20th century. He created the modern acupuncture college curriculum in China and rescued acupuncture and moxibustion from oblivion in its native land. As a teacher of many other famous teachers of acupuncture, such as the late Dr. James Tin Yau So, Cheng Dan-an is the father of modern Chinese acupuncture. This book is a collection of his formulas and treatments for a wide range of traditional Chinese diseases, such as cold damage, warm heat diseases, wind stroke, mania, diarrhea and dysentery, cough, phlegm rheum, panting & wheezing, the five accumulations, and more. This is a seminal book in the development of modern acupuncture which should not be overlooked by any Western practitioner.
