**Efficiency, Justice and Care: Philosophical Reflections on Scarcity in Health Care (International Library of Ethics, Law, and the New Medicine) Yvonne Denier**

This book attempts to answer the question how health care can be incorporated into a comprehensive theory of justice, while realising an acceptable balance between efficiency, justice and care. It seems to be that we can have any two but not all three. Essentially, the central question addressed by this book is the following: how best to square the proverbial welfare circle.
