Patriots, Politics, and the Oklahoma City Bombing (Cambridge Studies in Contentious Politics)

Stuart A. Wright

Patriots, Politics, and the Oklahoma City Bombing (Cambridge Studies in Contentious Politics) Stuart A. Wright

This book explores an escalating spiral of tension between the Patriot movement and the state leading up to the Oklahoma City bombing in 1995. The author served as a consultant to Timothy McVeigh's defense team and draws on information based on face-to-face interviews with McVeigh. Wright contends that McVeigh was firmly entrenched in the Patriot movement and was part of a network of 'warrior cells' that planned and carried out the bombing. By examining the Patriot movement's history and subsequent reconfiguration of conflicts with the state, McVeigh's role in the bombing can be more fully understood.
